- Assist in executing the creative concepts of supervisors
- Editing creative material as necessary
- Coordinating with outside vendors such as printers, photographers, and stock photography companies
- Working collaboratively with other members of creative and core departments
- Support other agency activities on an as-needed basis

### Desired Qualifications –

- Detail oriented
- Ability to multitask
- Self-motivated and hard working
- Excellent interpersonal and communication skills
- Web Design and experience with Microsoft Word is a plus

### Required Qualifications –

- Pursuing a Bachelor's degree in Graphic Design or related field
- Experience with InDesign, Photoshop, Illustrator and PowerPoint

### Why JFG?

This is not your average internship. Here, you'll be part of something different. By becoming a member of the JFG team, you will have the opportunity to play an active role, expand upon your skill sets, and learn a lot about the business.

If JFG sounds like a great experience and you are looking to pursue or learn more about a challenging career in the advertising/marketing world, we want to hear more about you and your goals. Please send an email that includes your resume and a few samples of your creative work to [employment@jfitzgeraldgroup.com](mailto:employment@jfitzgeraldgroup.com)
